JUNIOR MERN DEVELOPER

Dhaka, Bangladesh | +8801629956181 | ssultana324@gmail.com

<https://github.com/OishiSharmeen04> | <https://www.linkedin.com/in/oishi-sharmeen/>

CAREER OBJECTIVE

Entry-level Frontend Developer with strong skills in React, Next.js, JavaScript, HTML, CSS, and modern UI development. Experienced in building responsive, accessible, and optimized user interfaces with a focus on clean code, component-based architecture, and performance best practices. Familiar with Agile/Scrum workflows, API integration, version control (Git/GitHub), and collaborative development environments. Skilled in communication, teamwork, and guiding learners through technical concepts during bootcamp sessions. Highly motivated to contribute to a dynamic engineering team, learn continuously, and deliver user-focused web experiences.

EDUCATION

B.Sc. (Hons.) in CSE

Institute of Science and Technology (IST)

2019 - 2024

PROJECTS

TravelEase | The Road Awaits

It demonstrates end-to-end full-stack development with secure API routes, user authentication, and a beautiful modern design.

[Live URL](#) | [GitHub \(Client site\)](#) | [GitHub \(Server site\)](#)

- Seamless account creation, login, and personalized booking management with a smooth and reliable flow.
- Users can efficiently add, update, and manage their own vehicles from an intuitive dashboard.
- Visitors can browse and discover vehicles through well-organized categories, ensuring a clear and engaging browsing experience.

GreenNest - Plant Paradise

GreenNest is a single-page web app that helps plant lovers explore care guides, purchase plants, and book expert consultations for healthier indoor spaces.
